# Guide for AU-EVA1 clip import on (Win) Media Composer Ver.8.9.4

2/2

Import complete

The screenshot displays the Avid Media Composer interface. The main preview window shows a Newton's cradle with a white figure in the background. The timeline at the bottom indicates the clip is imported and ready for editing. A 'Bin' window is open, showing the imported clip 'A112C001\_180111\_J703' with a duration of 31:00. A 'Source Browser' window is also open, showing the source file 'A112C001\_180111\_J703.MOV' (561.8 MB) and its location in the file system. The 'Source Browser Settings' section shows options for 'Load clips into Source Monitor' and 'Clear Source Monitor Upon Closing Source Browser'. The 'Target Bin' is set to '4K-29.97P-0112 Bin'. The system tray at the bottom right shows the date and time as 11:30 AM on 1/12/2018.
